Hi Anne,

I want to thank you, Leigh, and Erika for leading this initiative. It yielded impressive data.

Leigh and I are continuing our research on the data, and hope to publish on this unique project.

Regards,
Laura

Hello, everyone-

The VHS Last Copy Memorandum of Understanding was approved by

the Collections and Steering Committees, and Genya and I are working on getting copies signed by your respective schools' Directors and Deans.

This concludes the work of this VIVA task force in a formal capacity, and I would like to thank you all for your time and effort on this project. It turned up such interesting insights into how media has been collected in Virginia higher education, and I certainly enjoyed working with you to analyze the data.

I know that some of you continue to work with the data from this project – I'd always be interested to hear what you come up with! You are a tremendously passionate group about the subject of media and its preservation. Virginia is lucky to have your contributions toward this interesting and evolving format.

All the best –
Anne.
